# Style it with tiles

## Our great selection of tiles will transform any room in your home

NOT only are tiles practical, they add attractive class to your home.

They're durable, easy to keep clean and can be used in both indoor and outdoor areas.

Your consumer champion, Cashbuild, stocks a range of tiles suitable for just about any area in a variety of styles. And best of all, they aren't too hard on your pocket.

Cashbuild's new range of tiles includes the Mopane and Marula varieties that assemble to create classic geometric patterns, adding that extra touch of style.

There's a finish to suit just about every taste including:
- Mopane Peach
- Marula Brown
- Mukwa Wood
- Mopane Marble
- Marula Marble

These luxurious, quality tiles conform to the highest quality standards and, as with all Cashbuild products, they're supplied with a quality guarantee. With tiles from Cashbuild you can afford to be discerning. Get creative on a budget and up the style factor in your home!

Visit your nearest Cashbuild store to view a wide range of tiles, building material, hardware and paint. Friendly staff are on hand to provide useful advice and help you make those hard-wearing decisions.
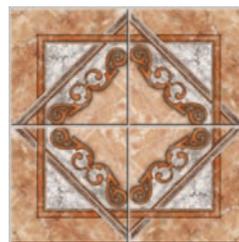

- For more information on high-quality home improvement products, call Cashbuild on 0861 CASHBUILD (227-428-453). Cashbuild stores are conveniently located throughout southern Africa. ■

## MAKE IT LOOK GOOD: CASHBUILD'S TOP TIPS

- Selecting the right wall or floor tiles needn't be difficult. Tiles should complement the other colours in a room by subtly accentuating the attached fittings or furniture, or by making a statement with classic patterns that add a new dimension to the area.
- For every 2 m² box of tiles you'll need 10 kg tile adhesive and 1,5 kg tile grout. Always add another 15 per cent for wastage and extra stock for that rainy day.
