

PROJECT 3

Apply a protective coat

You'll need

80/100 grain sandpaper, soft bristle brush, cloth, wood sealant, paintbrush

Bright chair pad R59,99, Sheet Street. Multicolour basket R139,99, Mr Price Home.

STEP 1

Lightly sand the chair with sandpaper.

STEP 2

Remove the dust with the bristle brush and wipe with a dry cloth to ensure the surface is clean.

STEP 3

Apply wood sealant liberally with the paintbrush – apply two or three coats, leaving to dry thoroughly between applications.
