In addition to the paint you will be using, use the following basic check list to ensure that you have everything you need for your project:

- Scraper
- Paint roller tray
- Paint roller
- Roller extension pole for large surfaces
- Paint brushes in various sizes
- Plastic drop sheet
- Mineral turpentine
- Lacquer thinners
- Mutton cloth
- Sugar soap
- Craek filler
- Masking tape

HELPFUL HINTS

BEFORE YOU PAINT:

- Remove pictures, nails, hooks, curtains, rods, tables, chairs, light fittings, door handles etc.
- Put all the big furniture pieces in the centre of the room and cover with a drop sheet.
- Put masking tape over the skirting boards and cover floors to protect against paint spots.
