

PROJECT 3

Replace a toilet seat and install a toilet-roll holder

YOU'LL NEED

White wood toilet seat, toilet-roll holder, double-sided tape, Phillips screwdriver, spirit level

STEP 1

Remove the lid and unscrew the seat using a Phillips screwdriver. Discard the old seat.

STEP 2

Install the new seat by sliding the threaded rods into place and fastening underneath with the supplied butterfly nuts.

Toilet brush **R140**, Woolworths. Turquoise chenille bath sheet **R89,99** and turquoise reversible mat (with toilet-lid cover) **R89,99** a set, Mr Price Home.

STEP 3

Apply double-sided tape to the back of the toilet-roll holder.

STEP 4

Make sure the holder is straight and fit to the wall.
