CASHBUILD EQUALITY AND DIVERSITY POLICY STATEMENT

Cashbuild is dedicated to encouraging a supportive and inclusive culture amongst the whole workforce. It is within our best interest to promote equality and diversity in the workplace.

Equality refers to the breaking down of barriers, eliminating discrimination and ensuring equal opportunity and access for all people groups.

Workplace diversity refers to the recognizing and valuing of the variety of differences every individual brings to the organization. Diversity encompasses acceptance and respect. It is an understanding that each individual is unique. These differences can include ethnicity, gender, sexual orientation, age, physical abilities, family status, religious beliefs, political affiliation, or other ideologies.

Our aim is to ensure that Cashbuild remains an equal opportunity employer, as such all employees and job applicants are given equal opportunity and that Cashbuild is representative of all sections of society. Each employee will be respected and valued and able to give their best as a result. This policy reinforces our commitment to providing equality and fairness to all in our employment and not provide less favourable facilities or treatment on the grounds of ethnicity, gender, sexual orientation, age, physical abilities, family status, religious beliefs, political affiliation, or other ideologies.

We are opposed to all forms of unlawful and unfair discrimination.

In order to achieve our business objectives and to maintain our status as an employer of choice Cashbuild's commitment to equality and diversity extends to all areas of our business including, recruitment, training and development, promotions and opportunities for personal growth. All employees, no matter whether they are part-time, full-time, or temporary, will therefore be treated fairly and with respect. When selecting candidates for employment, promotion, training, or any other benefit, it will be on the basis of their aptitude and ability.

All employees will be given help and encouragement to develop to their full potential and utilise their unique talents. This will ensure, we attract and retain the correct caliber employee whose skills and resources will be fully utilised and the efficiency of our whole workforce will be maximised.
