COMMENTARY

Nature of business

Cashbuild is southern Africa's largest retailer of quality building materials and associated products, selling direct to a cash-paying customer base through our constantly expanding chain of stores (318 at the end of this financial year which includes the seven DIY stores and 60 P&L Hardware stores). Cashbuild carries an in-depth quality product range tailored to the specific needs of the communities we serve. Our customers are typically home-builders and improvers, contractors, farmers, traders, as well as all other customers requiring quality building materials at the best value.

Cashbuild has built its credibility and reputation by consistently offering its customers quality building materials at the best value and through a purchasing and inventory policy that ensures customers' requirements are always met.

International Financial Reporting Standards

The Group is reporting its annual audited results in accordance with International Financial Reporting Standards ("IFRS").

Financial highlights

Revenue for the year increased by 5%. Revenue for stores in existence prior to July 2016 (pre-existing stores - 276 stores) remained at similar levels while our 42 new stores provided the 5% increase. Gross profit increased by 4% with gross profit percentage decreasing from 25.5% to 25.2%. This was achieved in tough trading conditions with selling price inflation of 2%.

Operating expenses, including new stores, remained well controlled and increased by only 9% (existing stores 3% and new stores 6%). Notwithstanding this, the increase in revenue did not compensate for the increased expenses, resulting in operating profit decreasing by 12%. Basic earnings per share decreased by 10% with headline earnings per share also decreasing by 9% from the prior year. The effective tax rate of 28.4% for the period is similar to that of the previous period.
